

## **K. GRIVCEVA STARDELOVA, MD**

Kalina Grivceva Stardelova was born in 1963 in Skopje, Republic of Macedonia.

She finished Primary school in Belgrade, and high school in Skopje, both with excellent results.

She started studying on Medical Faculty at the University of "St. Cyril and Methodius" in Skopje in 1981 and graduated in 1987.

She started working as Medical doctor at Clinic of Gastroenterohepatology, in 1990, since when she is a member of *Macedonian Society for Gastroenterohepatology*, *Macedonian Medical Society* and *Chamber of Medicine of Macedonia*.

In 1996 she specialized in Internal Medicine.

In 2000 she attended and passed the "*Good Clinical Practice for Investigators*" course, organized by *Brookwod International Academy of Healthcare Research* in Ohrid, Macedonia.

In 2001 she attended and passed the *Basic Course in Clinical Nutrition*, organized by *ESPEN* in Zagreb, Croatia.

In 2001 she attended and passed the "*Train the Trainers Workshop*" A *Joint and OMED Education Committee Project* in Crete, Geese.

She finished sub specialisation in Gastroenterology in 2005.

Since 1990 she has attended, participated and lectured on the National (Macedonian, Turkish, Croatian, Serbian) Congresses and Gastroenterological schools, workshops as well as studies.

Since 2003 she is active in establishing *Macedonian Society for Enteral and Parenteral Nutrition*, since when she was elected to be President of the Society.

Since 2003 she is a member of *ESPEN (European Society for Enteral and Parenteral Nutrition)* Council.

She is one of the five presidents of National Societies, who established *Adriatic Club for Clinical Nutrition* and is one of the organisers of *Basic Courses for Clinical Nutrition* which was under coverage of the *Adriatic Club for Clinical Nutrition (ACCN)* and *ESPEN*.

She took part of the *Clinical Malnutrition project*, in organization of *ACCN*, as a representative and main project contractor for Republic of Macedonia.

She is fluent in English and Serbian.
